RESEACH AND TEACHING INTERESTS

Maternal and child health disparities, child maltreatment, social work in health care settings, child welfare, poverty and social justice, translational and interdisciplinary science, evidence based practice, quantitative analyses.

RESEARCH EXPERIENCE

Research Assistant (Dr. Michelle Kaiser)
The Ohio State University, College of Social Work
Food Mapping Project

March 2015-
June 2017
Columbus, OH

- Developed models representing factor structure for constructs of interest. Performed confirmatory factor analyses and interpreted model results. Assisted in manuscript development and submission.

Research Assistant (Dr. Katie Maguire Jack) January 2015-
The Ohio State University, College of Social Work June 2017
Collective Efficacy and Child Maltreatment Project Columbus, OH

- Collaborated on the design of a child maltreatment secondary data analysis using Fragile Families Child Wellbeing (FFCW) data; tested direct and indirect effects using structural equation modeling and interpreted output; published first author manuscript in child welfare journal.

Graduate Research Assistant (Dr. Audrey Begun) August 2011-
The Ohio State University, College of Social Work June 2013
Empowering Mothers to Establish Smoke-free Homes (EMESH project) Columbus, OH

- Performed literature reviews; assisted in planning and writing of Institutional Review Board (IRB) protocols for qualitative and quantitative research project conducted in three phases; recruited and interviewed parent participants (inpatient neonatal care unit and outpatient follow-, and analyzed and prepared data for reports, research posters and a manuscript.

Undergraduate Research Assistant (Dr. Lisa Raiz) September 1998-
The Ohio State University, College of Social Work April 1999
Employment Following Renal Transplant: The Employer Perspective Columbus, OH

- Assisted in preparing and mailing survey materials; tracked and monitored survey correspondence; entered data and maintained database for study.

GRANT WRITING EXPERIENCE

Health Resources and Service Administration 2015
R40 MCH Health Resources and Secondary Data Analysis Studies (SDAS)

Principal Investigator: Kathryn Maguire-Jack, PhD (Unfunded)

- Conducted literature review; performed power analyses; developed analysis plan, collaborated in the writing and editing grant application.
